H&I Report:

Hello, family: I want to commend the fine job all H&I workers are doing..

Our Texarkana H&I is doing a great job. We have added a new meeting on Fridays at the Department of Community Punishment (Old St. Michael Hospital Building). There are few restrictions to get into this meeting; all that is needed is a small background check.

A workshop has been scheduled for 9 August at the Genesis Group for 1:00. Thank you Charlie M., H&I Chair for Hot Springs. Great job!

Thanks go out to all area's for the great job with H&I. You are all great.

In Loving Service,  
Jackie H.
