### **Why Register?**

The money collected from registration is  
used to pay for the hotel and convention  
facilities, printing of pre-registration packets,  
merchandise and other related expenses.

We believe that once participants at the  
convention understand that it is the fees  
from registration that make this event  
possible and that the funds collected from  
registration are used for the planning and  
implementation of present and future  
Central Arkansas conventions, the reasons  
for registering become clear.

It is the support of each individual member's  
registration or donation that helps make our  
convention a success.

### **Newcomer Policy**

Newcomer registrations are reserved for the  
newcomer with less than thirty days clean  
time who cannot afford the price of a  
registration. These registrations will be  
distributed on a first come, first serve basis.
