CARRY THE MESSAGE TO THE ADDICTS THAT STILL SUFFERS

When at the end of the road, we find that we can no longer function as a human being, either with or without drugs we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter ends - jails, institutions, or death - or find a new way to live. In years gone by, very few addicts had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple spiritual - not religious - program known as Narcotics Anonymous.
