Why Register?

The money collected from registration is used to pay for the hotel and convention facilities, associated services for equipment, maintenance, printing of pre-registration packets and other related expenses.

We believe that once participants understand that it is the fees from registration that make this event possible, and that the registration funds collected are used for the planning and implementation of present and future conventions, the reasons for registering become clear.

It is the support of each member's registration or donation that helps make our convention a success.

Newcomer Policy

Newcomer registrations are reserved for the newcomer with less than 90 days clean time who cannot afford the price of registration. Registrations will be distributed on a first come, first serve basis at hours to be posted.

Alternative Merchandise

Past convention merchandise and other NA merchandise will be sold at the Alternative Store on Sunday. To sell merchandise at the Alternative Store, you need a letter of authorization from your NA service committee or entity. Deadline to receive letter: March 1, 2008
