Guidelines

For the

Arkansas Regional Service Committee of Narcotics Anonymous

PURPOSE

The purpose of the Arkansas Regional Service Committee of Narcotics Anonymous (ARSCNA) is to be supportive of its member Areas and Groups and their primary purpose of carrying the Narcotics Anonymous message to the addict who still suffers. This is achieved by associating the Areas and Groups within its geographical boundaries and to serve as a communication link between them. The ARSCNA also exists to assist its member Areas and Loner Groups with situations and needs outside the scope of their experience and to provide identified services on a statewide basis. Through all of this, the Arkansas Regional Service Committee encourages the growth of the Fellowship of Narcotics Anonymous. Although the Arkansas Regional Service Committee members may offer experience, strength, and hope as well as suggestions, the ARSCNA does not have binding authority over the decisions or activities of any Areas or any Groups.

DEFINITION

The Arkansas Regional Service Committee (ARSCNA) was formed in September of 1990. It is a committee made up of Trusted Servants from its member Areas and Groups that come together to serve as a resource to the Narcotics Anonymous community within the Arkansas Region. This committee is designed to serve by addressing the common needs of its member Areas and Loner Groups. The ARSCNA serves several basic functions:

1. To carry the message of Narcotics Anonymous through the actions of the ARSCNA
2. To unify the Areas and Loner Groups within the Arkansas Region through open lines of communication and sharing
3. To contribute to the growth of Narcotics Anonymous by initiating much of the work to be finalized at the World Service Conference
4. To provide funding, as well as, human resources for World Services
5. Permanent Regional Mailing Address established 9/94; updated 6/6/99.

TRADITION NINE

The Tradition states that we ought never be organized, but we may create service boards and committees. We are not organized in the sense that there is no management or control. We are directly responsible to those we serve. Whether or not the Areas and Loner Groups choose to utilize our services is up to them.

TRADITION TWO (FIRST 2 PARAGRAPHS)

"For our Group purpose there is but one ultimate authority- a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern."

In Narcotics Anonymous, we are concerned with protecting ourselves from ourselves. Our 2nd Tradition is an example of this. By nature, we are strong-willed, self-centered people who are thrust together in N.A. We are mismanagers and not one of us is capable of consistently making good decisions.

In Narcotics Anonymous, we rely on a loving God as He expresses Himself in our group conscience, rather than on personal opinion or ego. By working the steps, we learn to depend on a Power greater than ourselves, and to use this Power for our group purposes. We must be constantly on guard that our decisions are truly an expression of God's will. There is often a vast difference between group conscience and group opinion, as dictated by powerful personalities or popularity. Some of our most painful growing experiences have come as a result of decisions made in the name of group conscience. True spiritual principles are never in conflict; they compliment each other. The spiritual conscience of a group will never contradict any of our Traditions.

FINANCIAL

1. The Arkansas RSC is dependent on contributions from Members, Groups, Areas, and donations from fund-raisers. These contributions are voluntary and the Arkansas RSC welcomes whatever amount each Member, Group, or Area deems appropriate.
2. All funds received by the Arkansas Region above prudent reserve and pending motions are to be forwarded to Narcotics Anonymous World Services (NAWS) and Southern Zonal Forum (SZF), 90% and 10% respectively.
3. The Arkansas RSC shall approve all Arkansas RSC spending.
4. Any expenses of Arkansas RSC trusted servants to be reimbursed shall be vouchered by having a receipt or receipts in hand, submitted to the Arkansas RSC Treasurer and approved by the Arkansas RSC.
5. Any funds advanced, after RSC approval, in anticipation of expected expenses, will be verified by receipt submitted to RSC Treasurer.
6. Arkansas RSC funds shall never be used as personal funds.
7. Updated ARSC budgets will be included in minutes of each ARSC meeting.

STANDING COMMITTEES

Tradition Five: Each Group has but one primary purpose- to carry the message to the addict who still suffers.

Tradition Nine: N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.

There are two kinds of committees: standing committee and ad hoc committee.

Standing committees are the regular committees of the Region such as Activities, H&I, etc. The basic descriptions of these, and how they relate to the Region as a whole, are detailed later under the descriptions of each committee.

Sometimes a question or special project needs to be referred to a committee, but the question does not fit in with the focus of any existing standing committee. In such cases, the motion can be made to refer to an *ad hoc committee*. These special committees are set up for specific purposes, and they have limited lives- when they have finished their jobs and reported back, they are disbanded. A motion to refer to an ad hoc committee should specify what the committee's purpose would be. The RSC Chair may then appoint an ad hoc committee in its entirety, or he/she may appoint just the ad hoc committee chairperson, who will put the committee together him/herself.

ELIMINATION OF A STANDING COMMITTEE

The RSC may eliminate a standing committee by a consensus or a 2/3-majority vote when deemed necessary.

Qualifications (Standing Committee Trusted Servants) shall be determined as defined in the *Policy and Procedures manual*.

SUBCOMMITTEE POLICIES AND ACCOUNTABILITY

For the

Arkansas Regional Service Committee of Narcotics Anonymous

TRADITION NINE

The Tradition states that we ought never be organized, but we may create service boards and committees. We are not organized in the sense that there is no management or control. We are directly responsible to those we serve. Whether or not the Areas and Loner Groups choose to utilize our services is up to them.

TRADITION TWO (FIRST 2 PARAGRAPHS)

"For our Group purpose there is but one ultimate authority- a loving God as He may express himself in our group conscience. Our leaders are but trusted servants; they do not govern." In Narcotics Anonymous, we are concerned with protecting ourselves from ourselves. By nature, we are strong-willed, self-centered people who are thrust together in N.A. We are mismanagers and not one of us is capable of consistently making good decisions. In Narcotics Anonymous, we rely on a loving God as He expresses Himself in our group conscience, rather than on personal opinion or ego. By working the steps, we learn to depend on a Power greater than ourselves, and to use this Power for our group purposes.

We must be constantly on guard that our decisions are truly an expression of God's will. There is often a vast difference between group conscience and group opinion, as dictated by powerful personalities or popularity. Some of our most painful growing experiences have come as a result of decisions made in the name of group conscience. True spiritual principles are never in conflict; they compliment each other. The spiritual conscience of a group will never contradict any of our Traditions.

FINANCIAL

1. Groups may donate directly to each level of service, Areas may donate excess funds to Region or World, and Region may donate excess funds to World (from *The Guide To Local Services* Fund Flow Chart on pg 50) , with the greater percentage (prudent reserve) staying close to home and/or where the message of recovery can best be carried.
2. Any RSC bank account and/or checks will require two (2) signatures. All checks should be filled out entirely before being signed.
3. All motions dealing with amounts over \$250 will be referred back to Areas/Loner Groups, except RD and RDA expenses for travel to WSC and World Service Meetings.
4. All ARSCNA Trusted Servants (that have or require a budget) need to be prepared to discuss/submit their annual budget at the last ARSCNA meeting of the year.
5. The Regional Treasurer should be the only person to initiate checks unless he/she is absent from the RSC. Checks written in the absence of the Treasurer should be reported to the Treasurer for record keeping within five (5) working days.
6. Treasury requests should be made during business meeting. Requests should be written out as a motion with receipts attached (if applicable).
7. The Administrative Committee, including the incoming Treasurer, will audit treasury records whenever a new Treasurer is elected.
8. At the beginning of a new term in office, the Treasurer may transfer Regional funds to a bank in his/her hometown in order to simplify and expedite banking procedures.
9. A receipt issued by an authorized individual where the money was spent shall verify all monies advanced or reimbursed by the ARSCNA. No handwritten receipts, by the trusted servants receiving funds, will be accepted. The only exceptions to the receipt expenses will be up to five dollars per day for beverages/snacks while traveling on approved/funded ARSCNA trips to include WSC, World Service Meetings, Southern Zonal Forum, and rent for meetings of the ARSCNA.

10. **ARSCNA authorized travel** will be calculated using the following information to determine advanced funding; all unused funds will be returned to the ARSCNA at the next ARSCNA meeting following the event the trusted servant was funded to attend.
 - a. Mileage will be calculated using the Federal Charitable Mileage rate plus 10 cents, not to exceed the Federal Business Mileage rate to determine advances for fuel. Airline travel advances will be estimated through pricing fares to and from the location of the event.
 - b. Food expenses will be figured on a per diem basis. Per diem will be figured by the GSA website located at <http://www.gsa.gov/Portal/gsa/ep/home.do?tabId=0>
 - c. Hotel expenses are not to exceed \$115 per night, with the exception of the RDA expense for the WSC. The RDA hotel expense for the WSC will be calculated at 50% of the current room rate at the hotel where the WSC is being held.
 - d. Additional expenses for Southern Zonal Forum will include registration and tapes/CD at the current rate.
 - e. Additional expenses for travel will include parking (if necessary) at the airport of departure, baggage charges and shuttle from the arrival airport to where the funded event is being held.

RECOUPING REGIONAL FUNDS

The immediate recoupment of any ARSCNA funds lost due to malfeasance, misappropriation, or misuse by any trusted servant or others shall be the responsibility of the ARSCNA Administrative Committee. The ARSCNA Administrative Committee will pursue all legal avenues to recoup funds in the following manner:

- Step 1) The ARSCNA Administrative Committee shall notify the membership of the ARSCNA of any funds lost due to malfeasance, misappropriation, or misuse.
- Step 2) The ARSCNA Administrative Committee shall request voluntary restitution from the trusted servant or others. If no restitution is forthcoming within 90 days for the balance owed or payments as scheduled by the ARSCNA Administrative Committee, Step 3 will be invoked.
- Step 3) The ARSCNA Administrative Committee, acting on behalf of the ARSCNA, shall proceed with either civil or criminal procedures as is thought the most effective way of recouping funds.

BECOMING PART OF THE REGION

When any duly elected RCM from any Area or Loner Group that wishes to become part of the Arkansas Region comes to their first RSC meeting, they will observe the working of the RSC and pick up a set of the Regional Guidelines. They may participate in new Regional business and take back to their Area or Group the business that requires a group conscience, and return to the next RSC meeting to be a voting participant. They will receive a set of minutes from the Regional meeting they attend.

1. Loner Group Seating

When considering seating a Loner Group the following should be checked

Is the group within 50 miles, of the central point, of an existing ASC (or within an existing ASC's boundaries if larger than 50 miles), or is it within 50 miles of another Loner Group?

- a. If no to these, seat the group if it is requesting seating.
- b. If yes to any of these, has an attempt been made to join an existing Area or form a new Area?
 - i. If no, request that effort be made before seating them.

- ii. If yes, what are the problems with forming a new Area (How can the ARSCNA be of service?) or what problems exist between the Group and the existing Area (How can the ARSCNA be of service?)? If there appears to be some roadblocks, would the group(s) and/or Areas be willing to sit down with each other and with some members from the ARSCNA to attempt to work out these problems through an attempt at mediation through open discussion?

- 1. If after all avenues have been attempted and there is still is not a potential resolution in sight, seat the Loner Group requesting seating.

- a. This Policy is not to affect current Loner Groups (but it is suggested that they do explore these avenues)

- 2. Any Area or Loner Group missing two (2) consecutive RSC meetings will be removed from the roll. Attendance at the ARSCNA meeting shall be defined as having attended both the old business and new business sessions. To rejoin the region, they must follow standard procedure for becoming a part of the region.
- 3. The Administrative Committee will be responsible for writing a letter of explanation to the Area/Loner Group upon removal from the roll.

ROTATION OF MEETINGS

- 1. Any new Area or Loner Group joining the region will be added to the bottom of the rotation list. At the end of the scheduled rotation, a revision of the list will be made as necessary.
- 2. The Arkansas Regional Service Committee shall meet quarterly on the first full weekend of February, May, August, and November. This schedule may be changed only by a consensus or a majority vote at the meeting prior to the proposed change. In extenuating circumstances, the Administrative Committee can make the decision to cancel the regional weekend, with Chairperson or other delegated person to contact all members of the ARSCNA with the region to reimburse for phone calls.
- 3. The hosting Area/Group will coordinate all RSC subcommittees' time schedules for the Regional weekend. Subcommittee chairs should inform the hosting Area of any special time needs. Suggested meeting format as follows:

OVERVIEW OF CONSENSUS

Everyone present is allowed to participate in the Consensus Based Decision Making process, even if they do not hold a trusted servant position. A consensus is when a proposal (motion) is brought up and a decision is made by first checking to see if there is any opposition. If there is any opposition we have a discussion and see if we can find a compromise. If we can't find a compromise, we check to see if the opposition is willing to stand aside. If the opposition will not stand aside we revert to parliamentary procedure with only the voting participants, and any decision will require a minimum of 2/3^{rds} majority to pass.

VOTING

- 1) Voting is to determine God's will as expressed through Group conscience; it is not to determine personal opinion. The exercise of Group conscience is the act by which our members bring the spiritual awakening of our Twelve Steps directly to bear in resolving issues effecting Narcotics Anonymous.
- 2) Participating votes are defined as "yea" or "nay" votes only; abstention votes will be counted as neutral votes and are not considered as a participating vote.
- 3) All ARSCNA business will be voted on by the RCMs or their Alternates, if a consensus cannot be reached and a vote becomes necessary, otherwise any Narcotics Anonymous member of the Arkansas Region of Narcotics Anonymous can participate in the Consensus-Based Decision-Making process with the exception of the ARSCNA Chairperson or Vice-Chair. The only motions referred back to member Areas and Loner Groups for input and discussion will be:
 - i) Financial motions over \$250 (two hundred and fifty dollars)
 - ii) Nominations for ARSCNA service positions
 - iii) All other motions affecting the basic tenets of Narcotics Anonymous as a whole (i.e.: Basic Text, Twelve Steps, Twelve Traditions, Twelve Concepts, etc.)
 - iv) Or any motions deemed necessary by consensus or by simple majority of the RCMs.
- 4) The ARSCNA utilizes a consensus based decision-making process. A consensus is considered to be a 2/3rds majority of the participating votes in agreement. All effort should be made to further understanding and discussion of any issue on the floor until a consensus is reached.
- 5) All decisions requiring a vote at the ARSCNA be decided upon in the following manner:
 - i) An attempt at an overall consensus to be attempted first.
 - ii) If an overall consensus cannot be reached, then a paper ballot will be taken.
 - iii) In order for a decision to pass a consensus must be reached, and if not, it will require at least a two-thirds majority.
- 6) In case of elections with more than two individuals up for a position, and one individual does not receive two-thirds of required votes to be elected, the two individuals with the highest percentage will be kept in the election. All others will be removed from election and a second ballot will take place.
- 7) Once an issue has been voted on, it shall not be brought up again for vote for at least 2 consecutive RSC meetings.

Consensus Procedure:

1. Motion or item is presented
2. Does item receive 100% approval or rejection? If 100% approval motion passes (go to #9), if 100% rejection motion fails (go to #10), if item does not receive 100% in either go to #3.
3. The Chair asks the maker to fully express the intent and what is hoped to be accomplished with the idea. The Chair asks if the additional information has changed anyone's opinion. If anyone's opinion has changed, is there now 100% approval? If so item passes (go to #9). If no one's opinion has changed (or some opinions have changed, but the item does not receive 100% approval) the opposing individuals are asked to express their concerns and what it might take to reach a compromise (if any). Go to #4.
4. The maker is asked if the compromise (if any) is acceptable. If so, the RCMs are asked if there is any further discussion needed. If not, the chair asks if there is any opposition. If 100% approval item passes (go to #9), if not go to #5.
5. If the originator cannot live with the compromise (or item did not receive 100% approval from #4), the individual is asked to express concerns and what it might take to reach a compromise. If compromise is reached go to #6. If compromise is not reached go to #7.
6. Does item receive 100% approval? If yes item passes (go to #9), if not go to #7.
7. If a compromise cannot be reached (or item does not receive 100% approval from #6), and 2 or less RCMs are opposed, the Chair asks if they are willing to concede (or stand aside) and allow the decision to move forward. If the opposition agrees to stand aside the item passes (go to #9). If the opposition does not stand aside, or the item was opposed by more than 2 people, the item needs to be acted on by parliamentary procedure and called to a vote (go to #8).
8. Item is voted on using a paper ballot (after any discussion). If item receives 2/3rds, or more, of the participating votes it passes (go to #9) if it receives less than 2/3rds it fails (go to #10).
9. Item has passed record results in minutes.
10. Item has failed record the results in minutes.

If the ARSCNA is not in consensus (as defined in the ARSCNA Guidelines) then discussion can (and should) ensue. All attempts should be made to reach a consensus. If consensus cannot be reached, then the suggestions of the team should be brought to the floor for approval by vote, requiring a minimum of a 2/3rds majority to pass.

Appendix to Policy Manual

A. RULES OF ORDER – DEFINITIONS

Adjourn - means to close the session immediately.

Amend - (a pending motion) means to modify the wording of a pending motion and is considered a primary amendment (that is, it applies directly to the main question). The amendment is voted on by itself and before the pending motion. If the amendment is adopted, the main motion is pending in its amended form; if the amendment is not adopted, the main motion is pending in its original form. An amendment is generally amendable. This amendment is considered a secondary amendment because it applies to the amendment and not the main question. The secondary amendment is disposed of by itself and before the primary amendment. If the secondary amendment is adopted, the primary amendment is pending in its amended form; if the secondary amendment is not adopted, the primary amendment is pending in its original form.

A pending motion may be amended many times before final disposition; however, no more than one primary and one secondary amendment can be pending at any one time.

A member's vote on an amendment does not obligate him to vote in a particular way on the main motion. Because primary amendments, secondary amendments, and pending motions are voted on separately, it allows each member the freedom to be in opposition to the amendment(s) but in favor of the motion, or vice versa.

Appeal the Chair - means the ruling is taken from the Chair and decided by the assembly. By electing a Chair, the assembly delegates the authority and duty to make necessary rulings on questions of parliamentary procedure. However, members do have the right to appeal and have no right to criticize a ruling of the Chair unless they appeal the decision.

Call to Question - (vote) means to immediately close debate and the making of any subsidiary motions, except Lay on the Table, of a pending motion. If Call to Question is not adopted, debate continues. If adopted, the pending motion immediately goes to vote.

Change Order of the Day - means to take a question out of its proper order or to consider one before the time to which it was postponed.

Division of Question-- means the pending motion is divided into distinct and separate parts to be considered individually. The motion should state where the division(s) is to be.

Lay on the Table - means to set the pending motion aside temporarily when something else of immediate urgency has arisen. The proper form of the motion does not state when the matter will be taken from the table. The matter must be taken from the table before adjournment or the matter dies for that session. However, the matter may be introduced at another session as a new motion.

If the mover's intent is anything other than temporarily laying a matter aside until an emergency situation is taken care of, then the proper motions/actions are: Postpone Definitely, Postpone Indefinitely, or vote against the motion. The motion to Lay on the Table should be ruled out of order if its intended effect is to kill the motion for the current session. It is proper for the maker to state his reason or for the Chair to ask for the reason of Laying on the Table.

Since a motion that has been Laid on the Table is still within the control of the assembly, no other motion on the same subject that would substantially conflict or present the same question would be in order. To consider a conflicting motion or substitute, the tabled motion would first need to be taken from the table and disposed of.

Limit or extend debate - means the assembly can exercise special control over the total time of debate, the time each member has to debate, or the number of members who can speak on a pending motion or series of pending motions. This motion cannot impose an immediate closing of debate. The appropriate motion then would be Reconsider Previous Question. Extend Debate can be utilized when either all pros or all cons are exhausted. Unlimited debate occurs unless specific number of pros and cons are stated in the motion to Extend Debate.

Order of the Day - means any member can require the assembly to conform to its own agenda, unless the assembly then Suspends the Rules of Order or Changes the Order of the Day.

Point of Information - is a request directed to the Chair, or through the Chair to another member, for information relevant to the business being considered but is not a matter related to parliamentary procedure and requires no vote. A Point of Information is not properly used to create a discussion between two members.

Point of Order - means a member believes the rules of the assembly are being violated and is asking for recognition from the Chair to make a determination as to whether or not the procedure that the member feels is pertinent is being violated. A Point of Order is not a method or procedure to dispute the accuracy of something that another member has stated, but a way to keep the assembly working on the business that it is supposed to be working on and in accordance with its guidelines and other rules of order. This point needs to be made immediately at the time the perceived breach occurs. Also, it is undesirable to raise Points of Order on minor irregularities, if it is clear that no one's rights are being infringed on.

Point of Personal Privilege - permits a request relating to the rights and privileges of the assembly or any of its members to be brought up for possible immediate consideration because of its urgency, while business is pending and the request would otherwise be out of order.

Postpone indefinitely- means that the assembly declines to take a position on the main question. Its adoption kills the main motion for the duration of the session and avoids a direct vote on the question. It is useful in disposing of a badly chosen main motion that cannot be either adopted or expressly rejected without possibly undesirable consequences.

Postpone to a definite time- means to put off action on a pending motion until a definite day, meeting or hour, or until after a certain event. This motion can be moved regardless of how much debate there has been on the pending motion. A question may be postponed to a more convenient time or because debate has shown reasons for holding off a decision until later. When the time to which a question has been postponed arises, the question can be postponed again if additional delay will not interfere with the proper handling of the postponed motion.

When consideration of the question is resumed at the specified time, the business is in the same condition as it was immediately before the postponement, including any adhering motions. If the postponed motion is taken up on a different day, the business is in the same condition as it was immediately before postponement, with all adhering motions, except the rights of debate begin over again as if it had never been updated.

Recess- means a short intermission in the assembly's proceedings which does not close the meeting, and after which business will immediately be resumed at exactly the point where it was interrupted. If a recess is provided for in the agenda, the Chair simply declares the assembly in recess. If the Chair does not announce a pre-scheduled recess at the scheduled time, a member can Call for the Order of the Day. If the assembly wishes to postpone a pre-scheduled recess, it can move to Suspend Rules of Order.

Reconsider Previous Question - enables a motion or amendment to be reconsidered if a member believes it was a hasty or ill-advised action or if new information or a changed situation has developed. However, it must be moved by a member who voted on the prevailing side (the seconder may have voted on either side) and it must be moved on the same day of the original vote. If the Reconsider Previous Question is adopted, the motion is brought before the assembly in the exact form as before the original vote was taken and is handled as if it had never been voted on, that is, it follows whatever parliamentary rules are appropriate to that motion, whether it is debatable, amendable, etc.

A member has the right to debate on the Reconsider Previous Question motion regardless of whether his rights to debate were exhausted on the original motion.

Refer to Committee - means to send the pending question or other issues to a committee so that the question or issue may be carefully investigated and put into better condition for the assembly to consider. The motion should specify which committee. If a special ad hoc committee is needed, the committee can be formed in the same or amending motion.

Suspend rules of order - enables the assembly to do something without violating one or more of its own regular rules, for instance, to bring a matter up at a different time than originally scheduled. The Chair cannot move this, but can entertain another member to make this motion.

Take from the table - enables the assembly to make pending again a motion that had previously been laid on the Table. If a matter is not Taken from the Table within the same session as the motion to Lay on the Table, the matter dies, although the matter can be reintroduced later as a new question. If the motion to Take from the Table is adopted, the original motion becomes pending in its exact form, including all adhering motions, as when it was laid down. When a matter is Taken from the Table, members who had exhausted their right to debate cannot speak again. -

Withdraw a Motion - means the assembly gives permission to the maker to withdraw his motion. This permission is only required after the motion has been stated by the Chair.

TYPFS OF MOTIONS;

P - Privileged Motion

Does not relate to pending business, but is so important that it should be allowed to interrupt the consideration of anything else. In general, the highest ranking motion. Privileged motions also have an order of precedence and there may be several pending at the same time.

S - Subsidiary Motion

Assists the assembly in handling a pending motion. Always applies to the pending motion and does something to it without expressly adopting or rejecting it. Subsidiary motions also have an order of precedence and several may be pending at one time.

M - Main Motion

Brings business before the assembly. Can only be made when no other motion is pending and ranks lowest in the order of precedence. No main motion is in order if it conflicts with national, state, or local law, or with the rules (principles) of the assembly. If such a motion is adopted, even by a unanimous vote, it is null and void. No main motion is in order, which presents substantially the same question as a motion previously, rejected during the same session.

I – Incidental Motion

Deals with questions of procedure arising out of a pending motion or another item of business. Although it may resemble a subsidiary motion, it doesn't generally alter the pending motion, but the procedure. With few exceptions, it relates to the pending question and must be taken care of before business proceeds. It is difficult to set their order of precedence, since it depends on the particular set of circumstances each time.

B – Bring back a motion

A motion that brings a question again before the assembly. Generally can only be made when no other business is pending.
